“Fastener people meet in the middle.” That’s the focus for the first staging of the *All American Fastener Show*, being held May 6 to 7, 2010, at the **Hilton Branson Convention Center Hotel** in Branson, MO, USA. Centrally located in the heart of the USA and easily accessible, the *All American Fastener Show* provides a cost-effective way to generate sales leads, introduce new products and enhance your company’s image and visibility.

The goal of the *All American Fastener Show* is to promote American-made fastener products. In particular, the show offers something new for companies in the plastics fastener industry. The *All American Fastener Show* will permit plastics industry professionals to travel less and economize on their promotional expenditures as well as network effectively with premier manufacturers and distributors.

The *All American Fastener Show* will also include a Welcoming Reception from 5:30 PM to 6:30 PM on Thursday, May 6, at the Hilton Branson Convention Center Hotel (exhibitor and attendee badges required for entrance). With registration beginning at 8 AM, the show will then run from 9 AM to 4 PM on Friday, May 7.

The *All American Fastener Show* will provide exhibitors and attendees alike the opportunity to combine business with pleasure, and to include their families in enjoying all that the city of Branson has to offer.
